M-PROTEKT PLUS Gold

PRODUCT FEATURES

No ongoing contracts

- How it works: your car is fitted with monitoring device, satellite monitors and records data, then data is sent to your phone.
- No ongoing or monthly contracts, simple to use and low-cost credit based system.
- Receive push notifications such as;
 - Impact Alert
 - Power Alert
 - Overspeed Alert
 - Geofence Alert
- Use the M-Protekt Smartphone App to locate your vehicle quickly and easily.
- Optionally share your account to allow others to monitor your vehicle with you. Perfect for first time drivers and parents.
- Set up "No-Go" Zones via Geofencing. Set up areas that will alert you if the vehicle goes to that area.
- The device also includes its own backup battery in case of vehicle power failure, and will alert your App of possible tampering.
- By adding this system you may be able to negotiate a lower insurance premium.
- Receive 100 free location credits on installation*.
- Easily recharge tracking credits from within the M-Protekt App.
- By installing an M-Protekt to your vehicle it will connect and use satellite data to find and locate your vehicles location using a handy smartphone app.
- Installed by trained technician.
- 3 year warranty*.
