M3 ROADVIEW DASH CAMERA

Clear recordings on every drive, thanks to the SONY™ Starvis Sensor with HDR for increased clarity. Step up your protection with both front & rear cameras all with wide viewing angles to capture every moment.

M3 ROADVIEW
DASHCAM

PRODUCT FEATURES

Comes with Quad-HD "2K" Resolution

- Helps to provide evidence in the event of an accident by recording both video & audio on every drive.

- Premium video quality thanks to the SONY™ STARVIS image sensor in both the front and rear cameras features simultaneous Quad-HD "2K" resolution (2560×1440p) recordings.

- HDR (High Dynamic Range) expands the range of brightness from the brightest to the darkest. Dazzling sunlight auto adjusts for reflections to keep footage sharp, and when passing a dark tunnel adjusts the for reflections.

- Includes a 64GB memory card, which can be removed and plugged into a PC for downloading and sharing videos.

- Wi-Fi enabled for compatible smartphones using the M3 RoadView App, save important videos on the go, or remotely via the Cloud*.

- GPS for keeping time, date, location and speed information.

- Hidden wiring installation meaning no messy wires.

- Parking mode enabled†. Along with Impact Detection and low-voltage battery protection.

- Comes with a 3 year nationwide warranty‡.
